

## **Information for Parking at TRU**

The cost of parking at TRU is \$5 per day and can be paid at the ticket dispenser using coins or by credit card. Parking fees are in effect from 8 am to 5 pm Monday through Friday. You can park in any student or visitor lots but as many of the visitor lots are only short term meter parking I would suggest using student lots. Many of the lots fill up early but there is generally parking available in Lot N and this parking lot is also only a short walk from the TRU Residences and from the Campus Activity Center. Please see the pdf file for the TRU Campus Map posted on this website or go to the TRU website at <http://www.tru.ca/visit/maps.html>
