

The BC Chapter Presents the 2023 Summer Tour for the
Pacific Northwest Section of the Society for Range Management

June 21-23, 2023 in Cranbrook, BC

'Giving Back to the Grasslands'

The BC Chapter is hosting the 2023 summer tour for the PNW Section in sunny Cranbrook, BC, based out of the Heritage Inn. Join us for knowledge sharing and a field tour focused on on rangeland restoration, targeted grazing, species at risk habitat management, invasive species management, and networking opportunities.
