Other Meeting Information

We suggest our members consider bringing a donation for the **Silent Auction** at Wednesday's Banquet. Funds received help our PNW Section provide financial aid to students for attending SRM meetings.

This meeting provides the opportunity for some SRM members to earn Education Credits, when needed for SRM CPRM Certification renewal.

Steens Mtn. ALERT! There will be **no** long hikes or difficult terrain. Sack lunches & drinks are provided. There have been untimely rain events in the Oregon High Desert and at this mountain, so have a light jacket/hat for the trip. To learn more about this famous mountain, the historic Frenchglen community, or the Pete French cattle empire, Google Steens Mountain, etc. for awesome scenic views and the early ranching/settlement history.
